

NEW COLLEGE  
ALUMNI DIRECTORY

October, 1979

## FOREWORD

It is a pleasure to forward this updated version of the New College Alumni Directory to you graduates and former students of New College. It is based on our most recent information. Please let us know if there are any errors and we will correct our records accordingly.

We are enthused over the prospects for the future. The campus looks great and the New Class is impressive. Standards of excellence remain high and the New College program is healthy.

As you may have heard, we received a vote of confidence from the State of Florida this year. They set aside \$2.5 million to be released to the Foundation as an endowment trust fund if we match it with \$3.5 million in funds from private sources. We intend to set our goals even higher so that monies generated from the Endowment will offset much of our annual operating requirements. Then we can focus annual giving on qualitative improvements for the New College program.

We sincerely appreciate your continuing support. Please stop by the Foundation office to say hello when you visit New College.

Rolland V. Heiser  
President

## AN OPEN LETTER TO OUR ALUMNI

This new edition of the Alumni Graduate/Former Student Directory represents the work of our Office Manager, Dolores Curtiss, and the many Alumni who have kept her posted on current addresses.

Also, Mary Ruiz '78, with the help of many Alumni and current New College students, is publishing a periodical newsletter. Your support of this newsletter would best be demonstrated by forwarding articles, current endeavors, and information to Mary at the Foundation office.

This year Millie Ellis, Admissions Director, could also use your help. Utilizing a "Regional Alumni Director" concept, we will be trying to line up help from Alumni for the Admissions Department. If you are interested, please let us know. Freddie Clary '74 is Regional Alumni Director in Minneapolis and we are trying for others in various states and countries.

To keep us posted from an alumnus' point of view, Robert Allen '78, Ed Willard '79, James Foster '77 and Ken Misemer '68 are Trustees on the Board of Trustees. Also appointed to the Council of Advisors to the Development Department were Mary Ruiz '78 and Gary Montin '72. We honestly feel you are important to the future of New College and, therefore, your continuing interest, feedback and support are also important.

One last item---your Alumni Association is also investigating the possibility of having continuing education seminars at New College and also in the Regions when developed. Your ideas would be most welcome so drop us a line. Thank you.

  
James R. Curtiss  
Director of Development
