A Message From the Provost

The New College Alumni Association is four years old and grows stronger every day. With John Cranor '68 as chairman of the Board of Trustees of the New College Foundation and Aron Eddin '77 joining the Faculty in Philosophy, the alumni are assuming positions of leadership on campus. I applaud this trend. All of us here appreciate the energy and the insight of those who have graduated from this College by the Bay.

I hope that this new directory will make it even easier for Novo Collegians to make contact. Carol Ann has done yeoman's service in trying to update names and addresses. Having your address will make it possible for the Alumni Association and my office to tell you more about each other and what's happening at the College.

I look for letters from my students and New College friends first in my mail. What I love most about my job is hearing about your lives. It's my bet that all of you feel the same. Please keep the cards and letters coming!

Robert Benedetti
Provost

Directory Organization:

The first section of this directory is an alphabetical listing of all the names on our mailing list, including those for whom we do not have a current address. If your name has changed since graduation, your name has been listed in alphabetical order by both the last name under which you graduated and your current last name. The boldface number after each name is the entering class year. The number in parentheses is the year of graduation.

The second section is the area directory. Names are listed by state and city to help you identify alums who live near you or in an area you plan to visit.

Corrections:

Unfortunately, there is no way to maintain a 100% accurate mailing list when we depend on word-of-mouth, the Post Office and sometimes, pure chance, to keep up with those of you who move. I apologize in advance for any errors in addresses and/or names. I appreciate the help many of you have given in locating and following our extremely mobile alums.

There's a tear-out at the back of the directory for you to use to send us an address or name correction. If you know the address of an alum whose address we've lost, please send it.

Enjoy your directory. Use it to keep in touch and to renew friendships.

A handwritten signature in cursive script that reads "Carol Ann Wilkinson".
