Thank you . . .

to all of you who sent in updates and corrections for this directory. We apologize for any errors; they're unintentional. Please use the update form in the back for corrections, additions or deletions, and

Preface

Here we are again with the biennial New College Alumnae/i Association Directory! This volume is designed to encourage reunions, reconnections, networking, mentoring, socializing, and just plain communicating among alums, between former students and faculty, and with New College's administrators.

If you do not find yourself here, or the information about you is incorrect, please let us know how we can fix it as soon as possible. If you have information about a friend who seems to be missing from the directory – pass it on (ncalum@sar.usf.edu).

We have made a change this year, putting the alumnae/i E-mail list on the New College home page instead of duplicating it here, where it quickly becomes out-of-date. You can find available E-mail addresses, as well as other alumnae/i information, at <http://www.sar.usf.edu/~ncalum2/index.html>. Check it out!

The biennial directory is just one of the publications the Association is happy to send, free of charge, to any former student who attended New College for at least one term (the others are the Nimbus and an annual report). And as you can see from skimming these listings, alums have scattered among the 50 states and around the globe.

Credit for all the work that goes into keeping track of everyone belongs to Carol Ann Wilkinson '64, the director of the New College Alumnae/i Association. She is assisted by current New College students who work part-time to give her a hand. All of us on the NCAA board of directors hope you will put your directory to very good use until the next one arrives, in 1999.

With best wishes,
Alexis Simendinger '75
